### Tapas Menu

**Tortilla stuffed with a home-made tuna mayonnaise**

*Everyone loves this dish, a great combination*

**Spanish croquettes, with a filling of sweet corn and Jamon Serrano**

*These are made with a really thick bechamel sauce which forms the base of the croquettes. These are so delicious*

**Gambas al pill, pill**

*Usually the prawns in this dish are cooked only in a garlic and butter sauce. My version is more impressive and the prawns are cooked in a white wine prawn bisque*

**€62.50 per person**
